Petition 7-4-39 from Pollegar Jalangaraj of Gudikote family stating that he is the adopted son of late Keshavamma the recipient of the Gudikote family pension of Rs 139-13-0 & requesting for the registry of the said pension in his name.

The entire pension of the Gudikote family of Rs 139-13-0 was ordered to be paid to Keshavamma in Go No 5333-4 | P.P. 29 Dy 3-10-1902. It was also specifically stated in that Go that the consolidated pension (Rs 37-8-0 which she was drawing before & Rs 102-5-0 that was being drawn by Venkatamma nagathi) would be continued to her strictly as a life grant. Ever since the continuance of the consolidated pension to her she had been agitating for the recognition of the adoption of a son made by her and also for the continuance of the pension to her adopted son. In endorsement No Fl 3038 | S+R 197-37 Dy 2-12-1937 ~~the~~ she was informed that her pension being only a life grant the pension cannot be continued to her adopted son.

The petitioner who is stated to be the adopted son of Keshavamma has now come up to Govt praying for the continuance

of the pension that was being drawn by his adoptive mother (since deceased).

The petitioner says that sanction was accorded by Govt for his adoption in G.O. No 1678 Dt 29-10-1887. The G.O. referred to is only a general order. The petitioner's adoption is not recognised by Govt. Send for orders.

Hm 17/4/38. It is only a year ago that the deceased pensioner was endorsed that the pension being a life grant could not be continued in favour of her adopted son. The present petitioner who stated to be the adopted son, claims the pension without making any reference to the above endorsement. Perhaps he may be told that the orders conveyed in endorsement of 2-12-37 is final and that his application is rejected.

The petitioner may be informed that his request cannot be granted as the pension was granted to the deceased lady only for her life-time strictly
